

ROB FORD WASTED \$65 MILLION TO MAKE YOUR TTC WORSE

Mayor Ford cancelled Transit City, a provincial program that would have created three new Light Rail Transit lines on Eglinton, Sheppard and Finch West. Transit City wouldn't have cost Toronto anything.

Now the city has to pay \$65 million in cancellation fees, and residents on Sheppard and Finch West have only vague promises instead of fast, reliable and cheap transit.

Call Mayor Ford and tell him you're angry he's wasting the City's money: 416-397-FORD

Call your councillor. Save Transit City!
